MAILING LIST FORM

Our aim is to protect West Yorkshire's rocks and landscapes and to promote their educational and recreational use. There is no cost to be added to the mailing list, but we would like you to share with us the enjoyment of our geological heritage. You will receive a newsletter and be able to join in with our activities.

Name.....Date.....

Address

Email address.....Telephone number.....

Experience of geology – tell us about where you have seen rocks, minerals and fossils before and why you like them. If you have studied geology, please tell us about your interests.

PLEASE TELL US WHAT SORT OF ACTIVITIES YOU WOULD LIKE TO PARTICIPATE IN:

Events which have activities about rocks, fossils and minerals

Walks to look at rocks and landscapes in West Yorkshire

Going to listen to talks about geology

Research into West Yorkshire's geological heritage

Recording the geology of sites in West Yorkshire

Anything else?

Many thanks for filling this form in. You will be kept in touch about our events and activities by post or email in due course.
